Resources for locating interpreters and translators:

Metroplex Interpreters and Translators Association

<http://www.dfw-mita.com/>

Austin Area Translators and Interpreters Association

<http://aatia.org/>

Houston Area Translators and Interpreters Association

<http://www.hitagroup.org/>

American Translators Association

<http://www.atanet.org>

Also, local hospitals often have staff who speak various languages and may be able to visit a local practice in need. Check with hospitals where you have privileges.
